Christmas 'Most Wonderful Time Product Medley' Tag

Card Recipe:

Use the Scalloped Tag Topper to punch the top of the Whisper White cs tag.

Stamp the smaller tree image multiple times including 1st, 2nd & 3rd generation stamping in Old Olive to create color variation in the trees in the center of the tag about 1" from the bottom and 1" from the top.

Stamp the sentiment in Real Red ink on the Whisper White cs scrap that is 2" across. Use Paper Snips to cut free the sentiment (about 1/2" x 2"). Then glue it flush to the bottom of the tag.

Glue the DSP strip flush above the sentiment strip slightly overlapping the stamped trees.

Stamp the smaller tree image in Old Olive on the other Whisper White cs scrap piece and die cut out the image with the Most Wonderful Time dies. Die cut out the star from Gold Foil with the Most Wonderful Time dies. Wrap the tree with 1 piece of the Tinsel Trim. Use a glue dot to attach the gold star to the top of the tree. Use Stampin' Dimensionals to adhere the tree to the center of the tag overlapping the DSP and stamped trees.

Add the Braided Linen Trim and Tinsel Trim to the top of the tag.
