## 10. CONGRATULATIONS

You will see a “congratulations” screen confirming your order and an estimated date your first kit will ship. In addition, you will receive an email confirming your order.

## 11. SELECT A DEMONSTRATOR

From the “congratulations” screen, you will be encouraged to select a demonstrator. You can either use the search function to find your demonstrator or search for a demonstrator near you. A list of demonstrators will be shown. Click “select” on the right-hand side to choose your demonstrator.

### WHY SELECT A DEMONSTRATOR?

1. You want the demonstrator who sold you your prepaid code to get credit for the sale.
2. A demonstrator is your best resource for making the most of a Paper Pumpkin kit. A demonstrator

- can provide help assembling each kit, provides information on new products and techniques, and provides fun ideas to help crafting and creativity.
3. Selecting a demonstrator informs them that you are their customer so they can reach out to help you.
