Project Recipe:

1. Start with a Smoky Slate cs card base. Cut the Basic Gray cs panel & the Ornate Garden DSP panel and then glue them to the card base.

2. Stamp the goat from the Way To Goat stamp set in Basic Gray ink on Thick Whisper White cs. Color the goat with Stampin' Blends and add Wink of Stella to the flower for sparkle. Die cut out the goat with the Layering Ovals Dies. Die cut out a Basic Gray cs scalloped oval with the Layering Ovals dies. Glue the Thick Whisper White cs image oval to the Basic Gray cs scalloped oval and then add them centered on the right side of the card front.

3. Cut the Thick Whisper White cs sentiment banner and then stamp the sentiment from the Seaside View stamp set in Basic Gray ink. Use Mini Stampin' Dimensionals to attach the sentiment banner to the card front overlapping the left side of the image ovals and the DSP.

4. Punch out six Calypso Coral cs flowers with the Small Bloom Punch. Use your fingers to scrunch up the petals and then use your bone folder to reshape them. Use glue dots to build three flowers by layering two punched flowers together with the petals slightly off center from each other. Use glue dots to add the flowers to the card front. Add Gold Glitter Enamel Dots to the flower centers.

5. Don't forget to add a Thick Whisper White cs inside layer to write your message. I stamped the sentiment from the Seaside View stamp set and added a strip of DSP to the inside and back of the card to pull the theme through.
