Project Recipe:

1. Start with a Thick Very Vanilla cs card base. Cut a Crumb Cake cs panel and a Gilded Autumn Specialty DSP panel and then glue the panels together. Wrap the panels with a Gold Shimmer ribbon securing the ends on the back of the panels with glue dots, and then glue the wrapped panels to the card base.

2. Die cut a Thick Very Vanilla cs label with the Stitched Nested Labels dies. Stamp the sentiment from the Walk In The Woods stamp set in Cajun Craze ink at the top of the stitched label. Glue the label to the card front on the right side overlapping the wrapped ribbon.

3. Stamp the hedgehog from the Walk In The Woods stamp set in Cajun Craze ink. With a Blender Pen add Cajun Craze ink and Crumb Cake ink color the hedgehog (I created wells of ink in the lid tops of the ink pads). Add Wink of Stella to the hedgehog for sparkle. Fussy cut out the hedgehog with your paper snips. Use Stampin' Dimensionals to add the colored & fussy cut hedgehog to the bottom & slightly off the stitched label overlapping the DSP panel.

4. Tie a small bow the Gold Shimmer ribbon and attach it to the left of the stitched label overlapping the wrapped ribbon with glue dots. Add Gold Glitter Enamel Dots to the card front and stitched label.

5. Don't forget to stamp the sentiment from the Massive Thanks stamp set in Cajun Craze ink on the inside where you write your message. I also added a strip of DSP to the front and the back of the card to pull the theme through.
