## Project Recipe:

1. Start with a Basic Black cs card base. Cut the Misty Moonlight cs panel and the Very Vanilla cs panel.

2. Start creating your scene on the Very Vanilla cs panel by stamping the mountains from the Mountain Air stamp set in full and 2nd generation Misty Moonlight ink. Then stamp the long small trees with foreground stamp in Memento Black ink slightly overlapping the mountains.

3. Stamp the trees from the Mountain Air stamp set in Memento Black ink in the left and right corners overlapping the trees with foreground & mountains images. Stamp the clouds in Memento Black ink in the top right corner. Stamp the birds in Memento Black ink above the mountains. Attach the stamped Very Vanilla cs panel to the Misty Moonlight cs panel with Stampin' Seal and then use Stampin' Seal to attach the panels to the card base.

4. Cut the Very Vanilla cs sentiment banner. Stamp the sentiment from the In The Pines stamp set in Misty moonlight ink on the banner. Use the Light Misty Moonlight Stampin' Blend to add color to the sentiment banner's edges. Then attach the sentiment banner to the bottom left of the card front using Stampin' Dimensionals.

5. Don't forget to add a Very Vanilla cs inside panel to write your message. Stamp the sentiment from In The Pines stamp set in Misty Moonlight and the trees & birds from the Mountain Air stamp set in Memento Black ink on the inside panel. I also stamped on the back in Memento Black ink to pull the theme through but Black on Black is barely visible so I would suggest using Craft Whisper White ink on the back of the card.
