$8.00

**Mini Stampin' Dimensionals**

[144108]

$4.00

**Multipurpose Liquid Glue**

[110755]

$4.00

## Project Recipe:

1. Start with an Early Espresso cs card base. Stamp the snowflakes from the Coming Home stamp set in Whisper White Craft ink across the top 1/3rd of the card and then set aside to dry - the Whisper White ink takes longer to dry. Cut a Vellum cs, Trimming the Town DSP panel, Thick Whisper White cs panel. Cut a Thick Whisper White cs snow bank with the Home Together Dies.

2. Use your Water Painter to add Misty Moonlight ink to the top of the Thick Whisper White cs panel and the top edge of the snow bank. Stamp the houses and trees from the Coming Home stamp set in Memento Black ink on scrap Thick Whisper White cs. Die cut out the images with the Home Together Dies. Color the die cut images with the Stampin' Blends. Add Wink of Stella to the windows for sparkle.

Stamp the evergreen trees in Memento Black ink on the dry Thick Whisper White cs panel. Color the trees with Stampin' Blends. Stamp the bare trees in Early Espresso ink on the Thick Whisper White cs panel. Glue the snow bank on the bottom of the panel.

3. Stamp the snowflakes in Misty Moonlight ink to the outer edge of the Thick Whisper White cs panel. Glue the Thick Whisper White cs panel to the Trimming the Town DSP Panel, then both to the Vellum cs panel, and then glue to the card base - all slightly askew.

Use glue and mini Stampin' Dimensionals to attach the die cut houses and trees. Fussy cut out the couple from the Trimming the Town DSP and glue it to the card front.

| | |
|---|---|
| | 4. Cut a Thick Whisper White cs sentiment label and stamp the sentiment from the Tree Angle stamp set in Poppy Parade ink. Add Stampin' Seal to the back of the label to add a piece of Poppy Parade Gold Trimmed ribbon (from All the Trimmings ribbon combo pack) and then use Mini Stampin' Dimensionals to attach it to the card front. |
| | 5. Don't forget to add a Whisper White cs inside panel. Stamp the sentiment from the Itty Bitty Christmas stamp set in Poppy Parade ink and add a strip of DSP to the inside and back of the card to pull the theme through. |
