Project Recipe:

1. Start with a Pretty Peacock cs panel (9 1/2" x 7 1/2") and then score the 9 1/2" side of the panel at 4" and 5 1/2". Then score the panel on 7 1/2" side - score at 1 1/2 and 6".
2. Use your bone folder to crease all your score lines. Then use your paper snips to cut the cut on the 4" and 5 1/2" score lines up to the 1 1/2" score line.
3. Use Stampin' Seal + on the flaps to make the box. You can use your bone folder to smooth over the sides to make sure the adhesive adheres.
4. Die cut out two Pretty Peacock cs stitched panels (largest die) and two Magic In This Night DSP panels (second largest die) with the Celebration Labels Dies. Glue them together and then use Stampin' Seal to attach them to the front & back of the box.
5. Stamp the label image in Memento Black ink & the sentiment within the label in Pretty Peacock ink on Thick Whisper White cs and then die cut it out with the Halloween Magic Dies. Use the Stampin' Blends to color the flowers & leaves. Add Wink of Stella to the flower for sparkle. Die Cut a Basic Black cs label layer.

6. Use Stampin' Seal to wrap a piece of Metallic Mesh ribbon around the Basic Black cs label - leaving loop ends and then use Stampin' Seal to add it to the center of the box front. Use Stampin' Dimensionals to add the stamped Whisper White cs label.
7. Stamp 3 spiders from the Hallows Night Magic stamp set in Memento Black ink on Whisper White cs and then die cut them out with the Halloween Magic dies. Add Wink of Stella to the spiders for sparkle. Use glue dots to add the spiders to the ribbon and the back of the box. Punch out 6 flowers with the Small Bloom Punch. Scrunch up the flowers and then use your bone folder to smooth out the petals. Use glue dots to attach two flowers together making 3 flowers. Add the flowers to the front box label with glue dots. Add rhinestones to the flower centers to finish the box.
8. You can make a matching card or cards for your box. Start with a Pretty Peacock cs card base. Cut a Basic Black cs panel and a Magic In This Night DSP panel. Glue the panels together and wrap them with a piece of Metallic Mesh ribbon using the Stampin' Seal to secure the ends on the back of the panels.
9. Cut a Basic Black cs label and a Thick Whisper White cs label with the Hippo & Friends Dies. Stamp the sentiment and small spider in Memento Black ink on the Thick Whisper White cs label. Glue the Basic Black cs label in the center of the ribbon. Add the Thick Whisper White cs sentiment label on the Basic Black cs label with Stampin' Dimensionals.
10. Punch a Magic in this Night DSP flower and Basic Black cs flower punched with the Small Bloom Punch. Scrunch up the flowers and then use your bone folder to smooth out the petals. Use glue dots to attach the two flowers together making one flower and use a glue dot to attach it to the card front. Use a Dark Basic Black Stampin' Blend to color a rhinestone and then add it to the flower center.
11. Don't forget to add a Whisper White cs inside panel to write your message.
12. Stamp the sentiment from the Little Treats stamp set & small spider from the Hallows Night Magic stamp set and add a Magic Is Night DSP strip to the inside and back of the card to pull the theme through.
