**Project Recipe:**

1. Start with a Blackberry Bliss cs card base. Cut the two Blackberry Bliss cs panels. Dry emboss the larger panel with the Subtle 3D embossing folder and the smaller panel with the Cobwebs 3D embossing folder. Glue the larger Subtle 3D embossed panel first to the card base and the smaller Cobweb 3D embossed panel centered on the card base.

2. Die cut a Magic in the Night DSP stitched scalloped panel with the Stitched So Sweetly dies. Use Black Stampin' Dimensionals to add the stitched scalloped Magic in the Night DSP panel to the center of the card front.

3. Die cut a Very Vanilla cs stitched scalloped sentiment panel. Stamp the sentiment from the Hallows Night Magic stamp set in Memento Black on the stitched scalloped Very Vanilla cs panel. Use a stamping sponge wedge to add Blackberry Bliss ink to the stitched scalloped sentiment panel. Use glue and Black Stampin' Dimensionals to attach the stitched scalloped sentiment panel to the lower right of the scalloped stitched Magic in this Night DSP panel.

4. Die cut Basic Black cs letters and matching foam adhesive sheet letters with the Playful Alphabet dies. Attach them across the top of the the stitched scalloped DSP panel. Add Iridescent Pearls to the card front.

5. Don't forget to add a Very Vanilla cs inside panel to write your message. I sponged Blackberry Bliss ink to the Very Vanilla cs inside panel, stamped the sentiment from the Ghoulish Goodies stamp set, and added a strip of DSP to the inside and back of the card to pull the theme through.
