## Project Recipe:

1. Start with a Thick Whisper White cs card base. Cut a Pretty Peacock cs panel and a Thick Whisper White cs panel. Glue the Pretty Peacock cs panel to the card base. Dry emboss the Thick Whisper White cs panel with the Evergreen Forest 3D embossing folder and then glue it to the card front.

2. Stamp the large tree images from the In The Pines stamp set three times in Pretty Peacock ink - first in full strength with the outline tree stamp and then 2nd generation (stamped off) with the tree watercolor fill stamp over the outline image. Die cut out the images with the Pine Woods dies. Glue the die cut trees staggered to the center of the card front.

3. Punch out a Vellum cs label with the Label Me Lovely punch. Punch out a Thick Whisper White cs label with the Label Me Fancy punch. Stamp the sentiment from the In The Pines stamp set in Pretty Peacock ink on the Thick Whisper White cs label. Add the stamped label to the Vellum label with Stampin' Dimensionals and then use more Stampin' Dimensionals to add them to the card front.

Tie a small bow with the Whisper White Crinkled Seam-Binding ribbon and attach it to the left side of the label on the card front using glue dots.

4. Don't forget to stamp the sentiment on the inside panel. I also stamped the medium outline & fill tree images from the In The Pines stamp set in Pretty Peacock ink to the inside and back of the card to pull the theme through.
