Project Recipe:

1. Start with a Smoky Slate cs card base. Cut the Soft Sea Foam cs panel, the Whisper White cs panel, and the Most Wonderful Time DSP panel. Glue the panels together and then wrap the panels with a piece of Gold 1/4" Shimmer ribbon using Stampin' Seal to securing the ends to the back of the panel. Glue the wrapped panels to the card base.
2. Punch a Whisper White cs circle with the 1 1/2" Circle Punch. Stamp the sentiment from the Itty Bitty Christmas stamp set in Basic Gray ink on the Whisper White cs circle. Die cut out a Gold Foil scalloped circle layer with the Layering Circle dies. Glue the stamped Whisper White cs circle to the scalloped Gold Foil circle and then use Stampin' Dimensionals to add the sentiment circles on the right of the card front overlapping the wrapped ribbon.
3. Tie a small Gold Shimmer ribbon bow and use glue dots to add the bow to the left of the sentiment circles overlapping the wrapped ribbon. Add Gold Glitter Enamel Dots to the sentiment circle and card front for added sparkle.
4. Don't forget to add a Whisper White cs inside panel to write your message. I stamped the sentiment from the Tag Buffet stamp set in Basic Gray ink and added a strip of DSP to the inside and back of the card to pull the theme through.
