## Project Recipe:

1. Start with a Seaside Spray cs card base. Cut a Basic Black cs panel and a True Love DSP panel. Use the Stampin' Blends to color the DSP. Glue the panels together and then to the card base.

2. Die cut a Basic White cs stitched label and a Basic Black cs stitched label layer with the Stitched So Sweetly dies. Stamp the sentiment from the Peaceful Moments stamp set in Memento Black ink on the Basic White cs stitched label. Glue the stamped Basic White cs stitched label to the Basic Black cs stitched label layer. Then add the stitched labels to the card front with Stampin' Dimensionals. Add a Matte Black Dots to the Basic White cs stitched label
  
3. Don't forget to add a Basic White cs inside panel to write your message. I stamped the sentiment and added a strip of colored DSP to the inside and back of the card to pull the theme through.
