- Elegant Faceted Gems [152464] \$7.50
- Stampin' Seal [152813] \$8.00
- Mini Glue Dots [103683] \$5.25
- Multipurpose Liquid Glue [110755] \$4.00

Project Recipe:

1. Start with a Bumblebee cs card base. Cut a Dandy Garden DSP panel and a Basic White cs panel. Die cut 2 Mossy Meadow cs stems with the Dandy Wishes Dies. Use the stems as guides to stamp flower center images from the Garden Wishes stamp set in Bumblebee ink on the Basic White cs panel. Stamp the sentiment from the Fancy Phrases stamp set in Mossy Meadow ink in the top right corner of the Basic White cs base. Use glue to attach the die cut Mossy Meadow cs stems over the stamped flower centers on the Basic White cs panel. Use paper snips to trim off the excess stem so it is flush with the panel.
2. Wrap the built Basic White cs panel with the Bumblebee In Color ribbon using Stampin' Seal to adhere the ends of the ribbon to the back of the panel and then glue the wrapped Basic White cs panel to the Dandy Garden DSP panel. Wrap both panels- overlapping the Bumblebee In Color ribbon - with the Mossy Meadow Braided Linen Trim and using Stampin' Seal to adhere the ends of the trim to the back of the DSP panel.
3. Glue the wrapped panels to the card base. Tie a small bow in the Bumblebee In Color ribbon and use glue dots to attach it to the left side of the panel overlapping the ribbon/trim. Add white Elegant Faceted Gems to the card front.
4. Don't Forget to add a Basic White cs inside panel to write your message. I stamped the sentiment from the Fancy Phrases stamp set in Mossy Meadow ink and added a strip of DSP to the inside and back of the card to pull the theme through.
