## Project Recipe:

1. Start with a Rococo Rose cs card base. Dry emboss the entire card base (emboss it already folded in half) with the Seabed 3D embossing folder. Cut an Oh So Ombre DSP panel and glue it to the embossed card front. Die cut a Basic White cs stitched scalloped edged heart and a Rococo Rose cs heart with the Many Hearts dies. Dry emboss the Rococo Rose cs heart with the Seabed 3D embossing folder. Stamp the sentiment from the Always in my Heart stamp set in Memento Black ink (the stamp is photopolymer it can be shaped to fit the heart on the clear block) on the stitched scalloped edged Basic White cs heart. Glue the stamped stitched scalloped edged Basic White cs heart to the lower half of the card front overlapping the DSP panel. Use Stampin' Dimensionals to add the embossed Rococo Rose cs heart to the stitched scalloped edged Basic White cs heart.
2. Stamp the two parts of the baby shark from the Shark Frenzy stamp set - the outline in Memento Black ink and the inside in Rococo Rose ink - on Basic White cs. Die cut out the baby shark with the Sharks dies. Add Wink of Stella to the baby shark for sparkle. Add the baby shark to the card front overlapping the embossed Rococo Rose cs heart and the stitched scalloped edged Basic White cs heart with glue dots and Stampin' Dimensionals. Add Artistry Blooms Sequins to the card front.
3. Don't forget to add a Basic White cs inside panel to write your message. I stamped the sentiments from the Shark Frenzy stamp set in Rococo Rose ink and Memento Black ink. I also added a strip of DSP to the inside panel and back of the card to pull the theme through.
