Project Recipe:

1. Start with Bermuda Bay cs card base. Cut a Butterfly Bijou DSP panel. Wrap the panel with a piece of Whisper White Crinkled Seam Biding ribbon using Stampin' Seal to secure the ends on the back of the panel and glue the wrapped panel to the card base.
2. Stamp the Many Messages bundle on Basic White cs in Memento Black ink using the Stamparatus. Die cut out the sentiments with Messages dies.
3. Cut a Butterfly Bijou DSP sentiment panel layer. Use Stampin' Dimensionals to attach the sentiment to the DSP sentiment panel layer and then use more Stampin' Dimensionals to add the sentiment panels to the right side of the card front overlapping the wrapped Whisper White Crinkled Seam Biding ribbon.
4. Die cut the butterflies from the Butterfly Bijou DSP with the Brilliant Wings dies. Add a die cut butterfly with Stampin' Dimensionals on the upper left side to the card front slightly overlapping the sentiment panels. Add Blue Adhesive-backed gems to the butterfly. Tie a Whisper White Crinkled Seam Biding ribbon bow and attach it to the left side of the sentiments overlapping the wrapped ribbon with glue dots.
5. Don't forget to add a Basic White cs inside panel to write your message. I stamped the sentiment from the Happy Thoughts stamp set in Memento Black ink, added a strip of DSP, and a butterfly to the inside and back of the card to pull the theme through.
