Project Recipe:

1. Start with an Early Espresso cs card base. Cut a Very Vanilla cs panel and a World of Good Specialty DSP panel. Dry emboss the World of Good Specialty DSP panel with the Old World Paper 3D embossing folder. Glue the embossed DSP to the Very Vanilla cs panel.
2. Glue the World of Good Memories & More card slightly to the top right of the embossed DSP panel. Then wrap the panels with the Early Espresso Faux Suede Trim - be sure to add the Antique Slide to the trim before securing the ends on the back of the panels with Stampin' Seal. Glue the wrapped panels to the card front.
3. Cut a Very Vanilla cs label with the Tasteful Label dies. Stamp the sentiment from the Beautiful World stamp set in Early Espresso ink on the label. Use Stampin' Dimensionals to add the label to the card front overlapping the World of Good Memories & More card and the wrapped trim. Add Gilded Gems to the card front.
4. Don't forget to add a Very Vanilla cs inside panel to write your message. Stamp the sentiment & the compass image from the Beautiful World stamp set in Early Espresso ink and add a strip of embossed World of Good Specialty DSP on the inside and back of the card to pull the theme through.
