Project Recipe:

1. There are two different edged tops to choose from in the Tailor Made Tags dies. Choose which edged top stitched tag you want to make and then die cut out the Pansy Petals Designer Series Paper with the largest stitched tag die of that kind.

2. Die cut out the Fresh Freesia 2021-2023 In Color Shimmer Vellum with the second largest stitched tag and the small hole layer with the Tailor Made Tags dies.

3. Die cut the Basic White cs smallest stitched tag with the Tailor Made Tags dies. Stamp the sentiment from the Pansy Patch stamp set in Memento Black ink.

4. Layer your stitched tag pieces with the small whole layer at the top and then loop through a piece of Basic Black Baker's Twine.

5. I finished off the tag by stamping the sentiment on the back of the tag in Memento Black ink and added fussy cut Pansy Petals DSP flowers to pull the theme through.
