Project Recipe:

1. Start with an Old Olive cs card base. Cut a Basic Black cs panel & the Cute Halloween DSP panel and glue them to the card base. Cut a Be Dazzling Specialty paper strip and glue it across the card front.
2. Cut a Basic White cs sentiment strip and stamp the sentiment from the Cutest Halloween stamp set in Memento Black ink. Use paper snips to cut one end of the sentiment strip at an angle. Glue the sentiment strip across the Be Dazzling Specialty paper on the card front.
3. Stamp the ghost outline image & ghost face from the Cutest Halloween stamp set in Memento Black ink on Basic White cs. Either punch out the ghost with the Halloween punch or fussy cut it out with paper snips. Add the ghost to the right side of the card front slightly overlapping the Be Dazzling Specialty paper with Black Stampin' Dimensionals. Add Matte Black Dots to the card front and Wink of Stella to the ghost for extra sparkle.
4. Don't forget to add a Basic White cs inside panel to write your message. Stamp the sentiment from the Banner Year stamp set in Memento Black ink and add a strip of DSP to the inside and back of the card to pull the theme through.
