### Project Recipe:

1. Start with an Old Olive cs card base. Cut a Basic Black cs panel, a Be Dazzling Specialty paper panel, and a the Cute Halloween DSP panel. Glue the panels to the card base.
2. Cut a Basic White cs sentiment strip and a Black Glitter Paper strip. Stamp the sentiment from the Cutest Halloween stamp set in Memento Black ink on the Basic White cs strip. Use paper snips to angle the sentiment Basic White cs strip ends. Use glue to add the Black Glitter paper strip across the card front and then glue the sentiment strip slightly overlapping the Black Glitter paper strip on the card front.
3. Stamp the ghost outline image & ghost face from the Cutest Halloween stamp set in Memento Black ink on Basic White cs. Either punch out the ghost with the Halloween punch or fussy cut it out with paper snips. Add the ghost to the card front in the center of the card front overlapping the Be Dazzling Specialty paper panel & Cute Halloween DSP panel with Black Stampin' Dimensionals. Add Cute Stars Adhesive-Backed Sequins to the card front and Wink of Stella to the ghost for extra sparkle.
4. Don't forget to add a Basic White cs inside panel to write your message. Stamp the sentiment from the Banner Year stamp set, the ghost outline image & ghost face from the Cutest Halloween stamp set in Memento Black ink and add a strip of Be Dazzling Specialty paper to the inside and back of the card to pull the theme through. I also added a Cute Star adhesive-backed Sequin on the inside panel above the stamped ghost.
