- Gold 3/8" (1 Cm) Shimmer Ribbon [156470] \$8.00
- Black & White 1/4" (6.4 Mm) Gingham Ribbon [156485] \$7.00
- Tear & Tape Adhesive [138995] \$7.00
- Black Stampin' Dimensionals Combo Pack [150893] \$6.00
- Multipurpose Liquid Glue [110755] \$4.00

Project Recipe:

1. 1) Cut and score the holder outer tag (Blackberry Bliss cs or Basic Black cs).
 - 2) Dry emboss both sides - leaving the bottom unembossed- with the Tasteful Textile 3D embossing folder of the Blackberry Bliss cs holder outer tag.
 - 3) Punch the tag top to both sides of the holder outer tag with the Fancy Tag Topper punch.
 - 4) Cut and score the bottom holder base (Blackberry Bliss cs or Basic Black cs). Use paper snips to cut the flaps and notch the smaller side flaps. Use glue to form the base and then use Tear & Tape to attach it in the bottom center of the holder outer tag.
2. 1) Cut the two Blackberry Beauty DSP or the Cute Halloween DSP panels and the two Gold Burnished Metallic paper or the Pumpkin Pie cs panels. Glue the DSP panels to the cardstock panels and then glue the panels to the holder outer tag sides.
 - 2) Add the Brushed Metallic Adhesive-Backed Dots or the Cute Stars Adhesive-Backed Sequins to the front of the holder outer tag side.
3. 1) Cut the tag (Blackberry Bliss cs or Basic Black cs).

- 2) Punch the tag topper at the top of the tag with the Fancy Tag Topper Punch.
- 3) Cut a Very Vanilla cs sentiment panel.
- 4) Stamp the sentiment from the Frightfully Cute stamp set (Blackberry Bliss ink or Memento Black ink) on the sentiment panel. Then glue the sentiment panel to the tag.
- 5) Cut either two small strips of Blackberry Beauty DSP strips or fussy cut a kitty and pumpkin from the Cute Halloween DSP. Use glue to add the DSP strips to the tag or use a Black Stampin' Dimensional and glue to add the fussy cut kitty & pumpkin to the tag.
- 6) Cut a piece of Gold Shimmer ribbon or a Black & White Gingham ribbon to thread through the holder outer tag & the tag to close the hand sanitizer holder.
