Project Recipe:

1. For this card start with a Blackberry Bliss cs card base. Cut a Basic Black cs panel layer and Basic White cs panel. Dry emboss the Basic White cs panel with the Timeworn Type 3D embossing folder. Glue the embossed Basic White cs panel to the Basic Black cs panel layer and then glue the panels to the card base. Die cut a Be Dazzling Specialty paper star swirl wreath with the Seasonal Swirls dies and glue it to the center of the card front. Cut a Basic White cs sentiment panel and a Blackberry Bliss cs sentiment panel layer. Stamp the sentiment from the Frightfully Cute stamp set in Memento Black ink on the Basic White cs sentiment panel. Glue the sentiment panel to the Blackberry Bliss cs panel layer and then use Black Stampin' Dimensionals to add the panels to the card front across the die cut star swirl wreath. Die cut Black Glitter Paper bats with the Seasonal Swirls dies and add three bats to the card front with glue dots.
2. Don't forget to add a Basic White cs inside panel to write your message. Add a Black Glitter paper bat and add an embossed Basic White cs strip to the inside & back of the card to pull the theme through.
