Project Recipe:

1. For this card start with a Flirty Flamingo cs card base. Cut a Basic Black cs panel layer and a Cute Halloween DSP panel. Glue the DSP panel to the Basic Black cs panel and then wrap them with a piece of Black Glitter Organdy ribbon using Stampin' Seal to secure the ends on the back of the panel. Glue the wrapped panels to the card base. Stamp the sentiment from the Frightfully Cute stamp set in Memento Black in on Basic White cs. Fussy cut out the sentiment, gently drag the sentiment panel's edges through the Memento Black ink, then add it to the lower right of the DSP panel on the card front. Die cut out the bat from the Cute Halloween DSP with the Frightful Tags dies and add it to the card front overlapping the ribbon with Black Stampin' Dimensionals. Die cut Black Glitter Paper bats with the Seasonal Swirls dies. Use glue dots to add bats to the card front. Add Cute Star Adhesive-Backed Sequins to the card front and Wink of Stella to the bats cheeks for sparkle.
2. Don't forget to add a Basic White cs inside panel to write your message. I added a Cute Star Adhesive-Backed Sequin and a strip of DSP (I didn't realize that I had the stripes going a different way- so be sure you cut your DSP strips so that the stripes match the front panel) to the inside and back of the card to pull the theme through.
