**Black Stampin' Dimensionals  
Combo Pack**

[150893]

\$6.00

**Multipurpose Liquid Glue**

[110755]

\$4.00

## Project Recipe:

1. Start with putting together a Tombstone Treat Box. Die cut a Black Glitter Paper spider web with the Frightful Tags dies and snip it a part with paper snips. Fussy cut out Cute Halloween DSP ghosts with paper snips. Cut a piece of Metallic Mesh ribbon. Cut a Basic Gray cs panel and dry emboss it with the Painted Texture 3D embossing folder. Use Black Stampin' Dimensionals to attach the embossed panel - leaving the center clear for the ribbon (and place the ribbon between the Dimensionals) to the tombstone front. Add the spider webs and tuck two ghosts under & one to the panel on the tombstone front. Stamp the sentiment from the Cutest Halloween stamp set in Memento Black ink on a 1/2" strip of Basic White cs and then fussy cut it to separate the sentiment. Use the Dark Smoky Slate Stampin' Blend to add color to the edges of the sentiments panels and then add them to the embossed panel with Black Stampin' Dimensionals.

2. Cut and score a Basic Gray cs inside accordion card.

3. Cut and glue on the Cute Halloween DSP panels on both sides of the accordion card. Die cut three Basic White cs tags, Black Glitter paper spider webs, and a Black Glitter paper tab with the Frightful Tags dies. Cut a Basic White cs sentiment panel. Stamp the sentiments on the tags and sentiment panel with Memento Black ink.

4. Build the accordion card by gluing on all the pieces - remember that the shortest panel is the front where you glue the tab and the back panel will be glued to the inside of the back half of tombstone treat box with the sentiment panel on the front of that last panel.

5. Wrap the ribbon around the treat box and tie in a bow.

I did add a Cute Halloween fussy cut skull to the back of the tombstone treat box to pull the theme through.
