Project Recipe:

1. Start with a Cajun Craze cs card base. Cut a Very Vanilla cs panel and stamp the large splatter from the Gorgeous Leaves stamp set in full & 2nd generation Cajun Craze ink. Cut an In Good Taste DSP panel and then use the paper trimmer to cut the panel diagonally. Glue the diagonally cut DSP panel to the bottom of the stamped Very Vanilla cs panel. Wrap the panel with Early Espresso Faux Suede Trim over the transition between the DSP & stamped panel.
2. Stamp the leaves from the Gorgeous Leaves stamp set in Cajun Craze ink, Mossy Meadow ink, Crushed Curry ink on Very Vanilla cs and then die cut them out with the Intricate Leaves dies. Die cut a Very Vanilla cs label with the Seasonal Labels dies. Stamp the sentiment from the Biggest Wish stamp set in Cajun Craze ink and Early Espresso ink on the label. Use the edge of the paper snips to rough up the edges of the label and then use Stampin' Dimensionals to add it to the card front in the center overlapping the wrapped ribbon.
3. Use glue dots to tuck & attach the leaves under the top right of the label. Color the Artistry Blooms Sequins with the Dark Soft Suede Stampin' Blend and add them to the card front.
4. Don't forget to add a Very Vanilla cs inside panel to write your message. I stamped the sentiment in Early Espresso ink and the leaf in Cajun Craze ink from the Biggest Wish stamp set and add a strip of DSP to the inside and back of the card to pull the theme through.
