Project Recipe:

1. Start with a Mint Macaron cs card base. Cut a Thick Basic White cs panel. Stamp the leaf image from the Gorgeous Leaves stamp set three times in Mint Macaron ink down the right side of the panel close to the middle and then stamp the large splatter image over & around the stamped leaves in Soft Sea Foam ink (I totally forgot to do this in during my live). Add color to the edges of the panel with Dark Soft Sea Foam Stampin' Blend.

2. Wrap the panel with Linen Thread four times using Stampin' Seal to adhere the ends to the back of the panel. Use Stampin' Dimensionals to add the wrapped panel to the card base.

3. Cut a Thick Basic White cs strip and stamp the sentiment from the Beauty of Friendship stamp set in Mint Macaron ink. Flag one end of the strip and cut off the excess on the other with paper snips. Add color to the edges of the sentiment strip with Dark Soft Sea Foam Stampin' Blend. Use Stampin' Dimensionals to the sentiment strip to the top of the card base overlapping the wrapped Linen Thread. Tie a Linen Thread double bow with long ends and add it beneath the sentiment with glue dots.

4. Don't forget to add a Basic White cs inside panel to write your message. I stamped the sentiment and the leaf & splatter images down the side of the inside panel and on the back of the card to pull the theme through.
