Project Recipe:

1. Start with a Blackberry Bliss cs card base. Cut a Basic White cs panel layer and a Blackberry Beauty Specialty DSP panel. Add texture to the Blackberry Beauty Specialty DSP panel with the Stitched with Whimsy dies. Glue the Blackberry Beauty Specialty DSP panel & Basic White cs panel to the card base.

2. Stamp the sentiment from the Love of Leaves stamp set in Blackberry Bliss ink on 1/2" wide Basic White cs strip and then use paper snips to cut the sentiment out. Cut a Gold Foil panel and use paper snips to flag one end.

3. Glue the sentiment to the Gold Foil panel and then use Stampin' Seal to add a looped piece of Gold Shimmer ribbon on the back. Use Stampin' Dimensionals to add the sentiment panels to the top right corner of the card base.

4. Don't forget to add the Basic White cs inside panel to write your message. I also stamped the sentiment in Blackberry Bliss ink and added a strip of the Specialty DSP to the inside and back of the card to pull the theme through.
