Project Recipe:

1. Start with a Blackberry Bliss cs card base. Cut a Very Vanilla cs panel layer, a Blackberry Beauty Specialty DSP panel, and glue them to the card base.
2. Cut a Gold Shimmer Vellum cs panel and add texture by using the Stitched with Whimsy dies. Die cut a Very Vanilla cs stitched leaf with the Stitched Leaves dies. Stamp the matching image from the Love of Leaves stamp set in Blackberry Bliss ink on the die cut leaf. Use Stampin' Seal to add Linen Thread to the back of the leaf. Add the leaf (add more Stampin' Seal if needed) to the Gold Shimmer Vellum panel. Use Stampin' Dimensionals (hide them behind the leaf) to add the Gold Shimmer Vellum panel to the card front.
3. Stamp the sentiment from the Love of Leaves stamp set in Blackberry Bliss ink on Very Vanilla cs. Use your paper snips to snip the sentiment apart and then add the pieces to the card front with Stampin' Dimensionals.
4. Don't forget to add the Very Vanilla cs inside panel to write your message. I also added a strip of the Specialty DSP to the inside and back of the card to pull the theme through.
