Project Recipe:

1. Start with a Cherry Cobbler cs card base. Cut a Cherry Cobbler cs panel, dry emboss it with the Macramé 3D embossing folder, and glue it to the card base. Die cut a Sweet Stockings DSP scalloped circle with the Layering Circles dies. Use Stampin' Dimensionals to add the DSP scalloped circle to the lower right side of the card front.
2. Fussy cut out a puppy with lights, Corgi in sweater, and the cat in the box from the Sweet Stockings DSP with paper snips. Use glue and Stampin' Dimensionals to add the Sweet Stockings DSP critters to the DSP scalloped circle.
3. Cut a Basic White cs sentiment strip. Stamp the sentiment from the Sweet Little Stocking stamp set in Memento Black ink on the Basic White cs sentiment strip and then cut to size with paper snips. Use the Dark Cherry Cobbler Stampin' Blend to add ink to the edges of the sentiment panel. Then use a Stampin' Dimensional to add the sentiment panel to the scalloped circle. Add Wink of Stella to the critters for and Champagne Rhinestones to the card front for extra sparkle.
4. Don't forget to add a Basic White cs inside panel to write your message. Stamp the sentiment and the present from the Sweet Little Stockings stamp set in Memento Black ink, color the present with Cherry Cobbler Stampin' Blends & the White Stampin' Chalk Marker, and add a strip of DSP to the inside and back of the card to pull the theme through.
