Project Recipe:

1. Start with a Just Jade cardstock card base. Cut a Misty Moonlight cs panel and a New Horizons Designer Series Paper panel. Stamp the Viking boat from the Brave Vikings stamp set on the bottom left side of the DSP panel (in the water) in Memento Black ink. Color the boat with Stampin' Blends. Stamp the lady Viking from the Brave Vikings stamp set in Memento Black ink on Basic White cs. Color her with Stampin' Blends add Wink of Stella to her eyes and spear for extra sparkle. Use paper snips to fussy cut out the image. Use Stampin' Dimensionals to add the lady Viking to the card front.
2. Die cut out a Basic White cs label with the Banquet of Love Hybrid Embossing Folder (& dies). Stamp the sentiment from the Brave Vikings stamp set on the label in Memento Black ink. Add the sentiment label to the card front with Stampin' Dimensionals. Add Iridescent rhinestones to the sentiment panel, lady Viking's helmet, and the boat.
3. Don't forget to add an inside panel to write your message. I stamped the sentiment from the Brave Vikings stamp set. I added a strip of DSP to the right side of the inside panel and stamped the boat on the back of the card to pull the theme through.
