## Project Recipe:

1. Start with the larger Heart & Home Memories & More Cards & Envelopes card base. Cut a Heart & Home DSP panel and a Basic White cs image panel. Glue the DSP panel to the card base. Stamp the large flower from the Blessings of Home stamp set on the Basic White cs image panel in Memento Black ink. Color the flower image with Stampin' Blends and add Wink of Stella to the flowers centers. Use glue to add a Misty Moonlight Doily to the top left corner of the image panel and then glue them to the card front.
2. Cut a Basic White cs sentiment panel and a Misty Moonlight cs sentiment panel layer. Stamp the sentiment from Blessings of Home stamp set in Memento Black ink on the Basic White cs sentiment panel. Glue the sentiment panel to the Misty Moonlight cs panel and then use Stampin' Dimensionals to the bottom right corner of the card base overlapping the image panel & DSP panel.
3. Stamp the bee from the Honeybee Home stamp set in Memento Black ink on Basic White cs. Color the bee with Stampin' Blends and add Wink of Stella to the bee's wings. Fussy cut out the bee with paper snips and use a Stampin' Dimensional to add it to the card front. Add Rhinestones to the card front around the flowers for extra sparkle.
4. Don't forget to add a Basic White cs inside panel to add stability and to write your message. I stamped the sentiment and also added a strip of DSP to the inside and back of the card to pull the theme through.
