Project Recipe:

1. Start with a Flirty Flamingo cardstock card base. Cut a Very Vanilla cs panel layer & a Daffodil Afternoon DSP panel and glue them together. Cut a Flirty Flamingo cs strip, dry emboss it with the Ornate Floral 3D embossing folder, and then glue the embossed strip across the DSP panel (for a strip that goes across the Very Vanilla cs panel too - cut it at 1" X 4 1/8").
2. Use the Dark Flirty Flamingo Stampin' Blend to add color to a piece of Whisper White Crinkle Seam Bidding ribbon (be sure to use Grid or scratch paper to protect your work surface as the color will bleed through). Then wrap the ribbon around the panels across the embossed strip using Stampin' Seal to secure the ends. Glue the wrapped panels to the card base.
3. Die cut a Very Vanilla cs label with the Tasteful Labels dies. Stamp the sentiment from the Special Moments stamp set in Memento Black ink on the sentiment label. Use Stampin' Dimensionals to add the sentiment label to the left side of the card front overlapping the wrapped ribbon.
4. Tie a small bow with the Flirty Flamingo colored Whisper White Crinkled Seam Bidding ribbon and use a glue dot to add the bow to the card front on the left side of the sentiment label overlapping the wrapped ribbon. Add Wink of Stella to the DSP flowers' centers and Iridescent rhinestones to the sentiment label for extra sparkle.
5. Add a Very Vanilla cs inside panel to write your message. Stamp the sentiment and add a strip of DSP to the inside & back of the card to pull the theme through.
