Project Recipe:

1. Start with a Blackberry Bliss cardstock card base. Cut a Basic White cs panel and a All Together DSP panel. Glue the panels to the card base. Die cut a Basic White cs stitched scalloped rectangle with the Stitched So Sweetly dies and glue it to the card front a slight angle.
2. Stamp the "pinky swear" hands image from the Here Together stamp set in Memento Black ink. Die cut out the image with the Here For You dies and then color the with the Natural Tones Stampin' Blends. Add Wink of Stella to the nails for sparkle. Add the colored hands to the top of the stitched scalloped rectangle with Stampin' Dimensionals.
3. Die cut Blackberry Bliss cardstock words with the Here For You dies. Use glue to add the words to the stitched scalloped rectangle so they slightly overlap the bottom of the hands. Add rhinestones to the card front for extra sparkle.
4. Don't forget to add a Basic White cs inside panel to write your message. I stamped the sentiments and the heart from the Here Together stamp set in Memento Black ink on the panel. I also added a strip of DSP to the inside and back of the card to pull the theme through.
5. I also colored the heart on the back of the card with the White Stampin' Chalk Marker.
