## Project Recipe:

1. Start with a Just Jade cardstock card base. Cut a Simply Marbleous DSP panel and glue it to the card front. Die cut a Basic White cs scalloped stitched rectangle with the Stitched So Sweetly dies. Stamp the pot from the Cactus Cuties stamp set in Early Espresso ink to the center bottom of the scalloped stitched rectangle. Stamp a second pot in Early Espresso ink on Basic White cs and then use paper snips to fussy cut it out.
2. Stamp the cactus from the Cactus Cuties stamp set in Just Jade ink slightly overlapping the stamped pot on the scalloped stitched rectangle. Add the fussy cut pot over the stamped pot with Stampin' Dimensionals. Wrap the top of the pot with Linen Thread twice and tie in a small bow. Color Iridescent rhinestones with the Dark Just Jade Stampin' Blend and then add them to the cactus for extra sparkle.
3. Stamp the sentiment from the Cactus Cuties stamp set in Memento Black ink on Basic White cs. Use paper snips to closely cut out the sentiment. Use Stampin' Dimensionals to add the sentiment panel to the top center of the scalloped stitched rectangle. Glue the scalloped stitched rectangle to the center of the card front.
4. Add a Basic White cs inside panel to write your message and add a strip of DSP to the inside & back of the card to pull the theme through.
