Project Recipe:

1. To create this card start with a Pear Pizzazz cs card base. Cut a Shaded Spruce cs panel and an Expressions In Ink DSP panel. Glue the panels together and then to the card base.

2. Die cut a Shaded Spruce & a Pear Pizzazz stitched scalloped rectangle sentiment layer with the Stitched So Sweetly dies. Die cut a Basic White cs sentiment label with the sentimental label with the Stitched So Sweetly dies. Stamp the sentiment from the Artistically Inked stamp set in Evening Evergreen ink on the sentiment label. Glue the sentiment label centered on the smaller Pear Pizzazz cs stitched scalloped rectangle layer and then glue them to the larger Shaded Spruce cs stitched scalloped rectangle layer.

3. Add the sentiment label & layers to the lower right of the card front with Stampin' Dimensionals. Add Gilded Gems to the card front.

4. Don't forget to add a Basic White cs inside panel to write your message. Stamp the sentiment from Artistically Inked stamp set in Evening Evergreen ink and add a strip of DSP to the inside and back of the card to pull the theme through.
