Project Recipe:

1. To create this card start with a Pale Papaya cs card base. Cut a Basic White cs panel and the two Expressions In Ink DSP panels. Glue the DSP panels to the Basic White cs panel. Cut a Pale Papaya cs transition strip and dry emboss it with the Tasteful Textile 3D embossing. Glue the embossed transition strip across the DSP panels.
2. Die cut a Basic White cs scalloped stitched rectangle sentiment label with the Stitched So Sweetly dies. Stamp the sentiment from the Artistically Inked stamp set in Memento Black ink on the lower right of the sentiment label. Stamp the large flower from the Artistically Inked stamp set in Pale Papaya ink on the top left corner. Add Stampin' Seal to the center of the large flower and then press the adhesive into the Gilded Leafing. Use your finger to gently brush off the excess and to be sure that the leafing is pressed into the adhesive.
3. Stamp the small flower trio in Magenta Madness ink and the leaves twice in Pear Pizzazz ink from the Artistically Inked stamp set on Basic White cs. Fussy cut out the images with paper snips and add Wink of Stella to the flowers centers. Use glue dots to add the leaves and flowers to the top of the sentiment label slightly overlapping the large stamped flower. Use Stampin' Dimensionals to add the label to the card front overlapping the embossed transition strip. Add Gilded Gems to the card front.
4. Don't forget to add a Basic White cs inside panel to write your message. Stamp the sentiment from the Artistically Inked stamp set in Memento Black ink and add a strip of DSP to the inside and back of the card to pull the theme through.
