Project Recipe:

1. Start with an Old Olive cardstock card base. Cut a Gray Granite cardstock panel and a Happy Forest Friends Designer Series Paper panel and glue them to the card base.
2. Fussy cut out a bear, fox, owl, bird, and mushrooms from the Happy Forest Friends Designer Series Paper. Use glue, glue dots, and Stampin' Dimensionals to add the critters (except the bird) to the card front.
3. Stamp the sentiment from the Happier Than Happy stamp set in Calypso Coral ink on Basic White cardstock. Punch out the sentiment with the Best Label punch. Punch out a Calypso Coral cardstock sentiment label with the Best Label punch and cut it in half using paper snips. Use glue to add both of the Calypso Coral cardstock label halves to the sentiment label.
4. Add looped Linen Thread to the back of the sentiment labels with Stampin' Seal and then use Stampin' Dimensionals to add the sentiment labels on the right side of the card front in the tree. Use a glue dot to add the fussy cut bird to the top of the sentiment panels so it looks like he's in his nest. Add Wink of Stella to the critters for sparkle.
5. Don't forget to add a Basic White inside panel to write your message. Add a strip of Designer Series Paper, stamp the sentiment and the mushroom from the Happier Than Happy stamp set on the inside and back of the card to pull the theme through
