Project Recipe:

1. Start with a Mango Melody cardstock card base. Score your card base and then use your paper trimmer to cut the panels to shape. Cut two Celebrate Everything Designer Series Paper panels to shape. Glue the panels onto the card base. You can use your paper trimmer to even up the panels if you need to. Add Wink of Stella to the ghost images on the Designer Series Paper for sparkle.
2. Cut a Mango Melody cardstock belly band. Dry emboss the band with the Timber 3D embossing folder (run one side and then run the second half). Gently fold the embossed strip around the the card and create the creases. Use Stampin' Seal to create the belly band.
3. Punch a Basic Black cardstock scalloped circle with the Double Oval punch. Stamp the sentiment from the Scary Cute stamp set in Memento Black ink on Basic White cardstock and punched out with the Double Oval punch. Punch a Crushed Curry cardstock star with the Witch Hat Builder punch. Use Black Stampin' Dimensionals to add the sentiment oval to the scalloped oval. Add the ovals to the embossed belly band with Stampin' Seal. Add the star to the sentiment oval with a glue dot.
4. Add a Basic White cardstock inside panel to write your message. Stamp the sentiment using the Alphabest stamp set and the Scary Cute stamp set in Memento Black ink. Add a strip of Celebrate Everything Designer Series Paper and stamp the

stars from the Best Witches stamp set, color the stars with the Crushed Curry Stampin' Write Maker on the inside and back of the card to pull the theme through.
