Project Recipe:

1. Start with a Thick Basic White cardstock card base. Cut a Basic Black cardstock panel and a Basic White cardstock panel. Dry emboss the Basic White cardstock panel with the Painted Texture embossing folder. Glue the embossed panel to the Basic Black cardstock panel and then glue them to the card base. Cut a Lights Aglow Designer Series Paper panel. Wrap the panel with Metallic Mesh ribbon using Stampin' Seal to secure the ends of the ribbon on the back of the panel. Glue the wrapped panel across the card front. Add black Glitter Washi tape above and below the wrapped panel.
2. Stamp the dragon from the Pure Magic stamp set in Memento Black ink on Basic White cardstock. Color the dragon with Stampin' Blends. Fussy cut out the dragon with paper snips. Use Black Stampin' Dimensionals to add the dragon image to the right side of the card front overlapping the wrapped panel.
3. Stamp the sentiment from the Scary Cute stamp set in Memento Black ink on Basic White cardstock. Use paper snips to fussy cut out the sentiment and flag both ends. Use a Black Stampin' Dimensional to add the sentiment to the card front overlapping the dragon's wing and the Lights Aglow Designer Series Paper panel. Add Wink of Stella to the dragon and add rhinestones to the card front for extra sparkle.
4. Add a Basic White cardstock inside panel to write your message. Stamp the sentiment from the Scary Cute stamp set in Memento Black ink and add a strip of Lights Aglow Designer Series Paper to the inside and back of the card to pull the theme through.
