Project Recipe:

1. Start with a Cherry Cobbler cardstock card base. Cut an Evening Evergreen cardstock panel and a Fitting Florets Designer Series Paper panel. Die cut an oval in the center of the Fitting Florets Designer Series Paper panel with the Framed Florets dies. Glue the Designer Series Paper panel to the Evening Evergreen cardstock panel and then glue the panels to the card base.
2. Die cut a Cherry Cobbler cardstock edged oval frame with the Framed Florets dies. Die cut a Basic White cardstock oval with the Framed Florets dies. Use glue to add the Cherry Cobbler cardstock frame to the inside of the Fitting Florets Designer Series Paper panel on the card front. Stamp the sentiment from the Framed & Festive stamp set in Evening Evergreen ink on the Basic White cardstock oval. Glue the stamped oval into the Cherry Cobbler frame. Add Wink of Stella to the berries on the Designer Series Paper panel for sparkle and add Gold Adhesive-Backed Swirls to the Basic White oval under the sentiment.
3. Don't forget to add a Basic White cardstock inside panel to write your message. Stamp the sentiment from the Framed & Festive stamp set in Evening Evergreen ink and add a strip of Fitting Florets Designer Series Paper to the inside and back of the card to pull the theme through.
