## Project Recipe:

<https://www.thesearemystamps.com/cards/print/enjoy-the-journey-dsp-card>

1. Start with a Highland Heather cardstock card base. Cut a Starry Sky cardstock panel and an Enjoy the Journey Designer Series Paper panel. Stamp the birds from the On the Ocean stamp set in Starry Sky ink above the mountains on the Enjoy the Journey Designer Series Paper panel. Glue the panels together. Wrap the panels with the White Crinkled Seam Bidding ribbon twice and then tie in a knot on the bottom right of the panels. Snip off the excess ribbon tails. Use Stampin' Dimensionals to add the wrapped panels to the card base.
2. Die cut a Basic White cardstock circle and a Starry Sky cardstock scalloped circle with the Layering Circles dies. Stamp the compass rose from the He's All That stamp set in Starry Sky ink on the Basic White cardstock circle.
3. Glue the stamped circle to the scalloped circle and then use Stampin' Dimensionals to add the circles to the left side of the card front overlapping the wrapped ribbon. Add a Solid Faceted Gem to the center of the compass rose for sparkle.
4. Don't forget to add a Basic White cardstock inside panel to write your message. Stamp the birds and the sentiment from the On The Ocean stamp set in Starry Sky ink. Add a strip of Starry Sky cardstock to the inside and back of the card to pull the theme through.
5. I also made a version of the card with a Coastal Cabana cardstock card base and Garden Green cardstock & ink.
