## Project Recipe:

1. Start with a Soft Succulent cardstock card base. Cut a Daffodil Delight cardstock panel and a Fancy Flora Designer Series Paper panel. Glue the panels together and then wrap the panels with Soft Succulent Satin Shimmer ribbon using Stampin' Seal to secure the ends on the back of the panels. Then glue the wrapped panels to the card base.

2. Die cut a Soft Succulent cardstock edged oval frame and a Basic White cardstock oval with the Framed Florets dies. Stamp the sentiment from the Art Gallery stamp set with the stamp slightly curved on the block in Soft Succulent ink on the top right side of the Basic White cardstock oval. Stamp the flower sprig from the True Beauty stamp set in Soft Succulent ink on the oval. Add color to the flower sprig with Stampin' Blends and add Wink of Stella for sparkle.

3. Glue the Soft Succulent cardstock edged oval frame to the card front overlapping the wrapped ribbon. Use Stampin' Dimensionals to add the stamped & colored oval into the edged oval frame on the card front. Tie a bow with the Soft Succulent Satin Shimmer ribbon and use paper snips to flag the bow's tails. Use Glue dots to add the bow to the oval so it looks like the bow overlaps the wrapped ribbon. Add Iridescent Pastel rhinestones to the card front and oval for extra sparkle.

4. Cut a Basic White cardstock inside panel to write your message. Stamp the flowers from the True Beauty stamp set in Soft Succulent ink on the left side of the Basic White cardstock inside panel. Add color to the flowers with Stampin' Blends and add Wink of Stella for sparkle. Add a strip of Fancy Flora Designer Series Paper to the inside and back of the card to pull the theme through. Stamp the sentiment from the Art Gallery stamp set in Soft Succulent on the bottom right of the inside panel above the Designer Series Paper strip. Glue the inside panel into the card.

5. I also stamped the flower from the True Beauty stamp set and sentiment from the Art Gallery stamp set on the back of the card.
