## Project Recipe:

1. Start with a Petal Pink cardstock card base. Cut a Soft Succulent cardstock panel and a Fancy Flora Designer Series Paper panel. Glue the panels together and then wrap the panels with Soft Succulent Satin Shimmer ribbon down the left side of the panels using Stampin' Seal to secure the ends on the back of the panels. Then glue the wrapped panels to the card base.

2. Die cut a Basic White cardstock stitched square with the Stylish Shapes dies. Cut a Petal Pink cardstock square layer. Stamp the flowers from the Art Gallery stamp set in Soft Succulent ink on the Basic White cardstock stitched square. Add color to the flowers with Stampin' Blends and add Wink of Stella for sparkle. Glue the stamped stitched square to the Petal Pink cardstock square layer. Use Stampin' Dimensionals to add the squares to the center left of the card front overlapping the wrapped ribbon.

3. Cut a Basic White cardstock sentiment banner and a Petal Pink cardstock sentiment strip layer. Stamp the sentiment from the Art Gallery stamp set in Soft Succulent ink on the Basic White cardstock banner. Use Paper Snips to flag both ends of the stamped sentiment banner. Glue the sentiment banner to the Petal Pink cardstock strip layer. Use Stampin' Dimensionals to add the sentiment banner to the card front along the bottom of the stitched square. Tie a bow in the Soft Succulent Satin Shimmer ribbon and use glue dots to add it to the card front above the top left corner of the squares overlapping the wrapped ribbon. Add Solid Faceted Gems to the card front.

4. Cut a Basic White cardstock inside panel to write your message. Stamp the flowers from the Art Gallery stamp set in Soft Succulent ink on the right side of the Basic White cardstock inside panel. Add color to the flowers with Stampin' Blends and add Wink of Stella for sparkle. Add a strip of Fancy Flora Designer Series Paper to the inside and back of the card to pull the theme through. Stamp the sentiment from the Art Gallery stamp set in Soft Succulent on the bottom left of the inside panel above the Designer Series Paper strip. Glue the inside panel into the card.

5. I also stamped the flower and sentiment from the Art Gallery stamp set on the back of the card.
