Project Recipe:

1. Start with a Soft Suede cardstock card base. Cut a Soft Succulent cardstock panel and a Fancy Flora Designer Series Paper panel. Add Wink of Stella to the flower centers on the Designer Series Paper panel for sparkle. Glue the panels together and then wrap them with the Soft Succulent Satin Shimmer ribbon using Stampin' Seal to secure the ends to the back of the panels. Glue the wrapped panels to the card base.
2. Cut a Basic White cardstock sentiment banner. Stamp the sentiment from the Art Gallery stamp set in Soft Succulent ink on the sentiment banner. Use paper snips to cut the ends of the banner at a diagonal. Use Stampin' Dimensionals to add the sentiment banner on the bottom right of the card front overlapping the wrapped ribbon.
3. Tie a bow with the Soft Succulent Satin Shimmer ribbon. Use glue dots to add the bow to the left side of the card front on the wrapped ribbon. Add Solid Faceted Gems to the card base.
4. Cut a Basic White cardstock inside panel. Stamp the rose image from the True Beauty stamp set in 2nd generation (stamped off) Soft Suede ink on the bottom left of the inside panel. Blend the browns with the Medium Stampin' Blends. Stamp the small overlay image from the Art Gallery stamp set in Soft Succulent ink below the rose. Stamp the sentiment from the Art Gallery stamp set in Soft Succulent ink to the bottom right of the inside panel. Add a strip of Fancy Flora Designer Series Paper to the inside and back of the card to pull the theme through.
