## Project Recipe:

1. Start with a Soft Sea Foam cardstock card base. Cut two Hello, Irresistible Designer Series Paper panels. Glue the panels to the card base. Die cut out blooms from the Hello, Irresistible Designer Series Paper with the Irresistible Blooms dies. Add Wink of Stella to the flower centers for sparkle.
2. Die cut a Basic White cardstock stitched label banner with the Stylish Shapes dies. Stamp the sentiment from the Go To Greetings stamp set in Pretty Peacock ink (I got out my old retired ink pad) on the stitched label banner. Use the banner to lay out where you want your die cut blooms and then use Stampin' Dimensionals and glue to add the blooms to the card front.
3. Use Stampin' Dimensionals to add the stitched label banner overlapping the die cut blooms and both the Designer Series Paper panels in the center of the card front. Add Pretty Peacock Loose Frosted Dots to the card front using glue dots (or glue).
4. Add a Basic White cardstock inside panel to write your message. Stamp the sentiment from the Peaceful Moments stamp set in Pretty Peacock ink and add a strip of Hello, Irresistible Designer Series Paper to the inside and back of the card to pull the theme through. I also added a die cut flower to the inside panel.
