2. Die cut a Basic White cardstock stitched circle with the Stylish Shapes dies. Stamp the sentiment from the Best Day stamp set in Starry Sky ink on the stitched circle. Glue down two of the fussy cut butterflies to the card front. Use Stampin' Dimensionals to add the stitched circle to the card front overlapping one butterfly. Use Stampin' Dimensionals and glue dots to add a third butterfly to the card front overlapping the stitched circle. Add Wink of Stella to the butterflies and add Basic Rhinestones to the butterflies & the stitched circle for sparkle.

3. Add a Basic White cardstock inside panel to write your message. Add a strip of Designer Series Paper down the inside and across the back of the card to pull the theme through. Stamp the sentiment from the Best Day stamp set in Starry Sky ink and add a fussy cut butterfly to the bottom right corner overlapping the Designer Series Paper.
