Project Recipe:

1. Start by cutting the Paper Pumpkin Add-On Warm Wishes card base into two card fronts. Cut two Old Olive cardstock card bases and the Real Red cardstock panels. Glue the Warm Wishes panels to the Real Red cardstock panels and then glue the panels to the card base.
2. Use glue dots, Stampin' Dimensionals, and glue to add Beary Christmas Designer Series Paper critters & presents to the bottom of the card fronts. Cut a Basic White cardstock sentiment strip. Stamp your sentiment (I used the Home for the Holidays Paper Pumpkin sentiment) in Old Olive ink on the sentiment strip and use paper snips to cut off the excess Basic White cardstock. Use Stampin' Dimensionals to add the sentiment strip to the card front.
3. Add sparkle glue (from the Home for the Holidays Paper Pumpkin kit or refill) and Wink of Stella to the card front & critters for sparkle. Add Basic Rhinestone Jewels to the card front for extra sparkle.
4. Add an inside Basic White cardstock panels to write your message. Glue the cut Warm Wishes card base strips down the right side of the inside panels. Stamp your inside sentiment (I used the Home for the Holidays Paper Pumpkin sentiment) in Old Olive ink on the inside panels. Glue a fussy cut Beary Christmas Designer Series Paper bears to the inside panels overlapping the Warm Wishes card base strips. Add Wink of Stella to the bears for sparkle.
