Project Recipe:

1. Start with a Pebbled Path cardstock card base. Cut a Petal Pink cardstock panel and a Nature's Sweetness Specialty Designer Series Paper. Glue the panels together and wrap them with Gold trim (combo pack) using Tear & Tape to secure the ends on the back of the panels. Glue the wrapped panels to the card base.
2. Stamp the large floral image from the Enduring Beauty stamp set in Pebbled Path ink (I used my stamp positioning tool) on Basic White cardstock. Use the Enduring Beauty Masks and small blending brushes to color the image (see my YouTube video). Die cut out the colored image with the Enduring Beauty dies. Use Stampin' Dimensionals to add the die cut floral image to the card front overlapping the wrapped trim.
3. Tie a bow with the Gold Trim and use glue dots to add it to the left side of the floral image overlapping the wrapped trim. Add gold Neutrals Adhesive-Backed Sequins to the card front.

4. Add a Basic White cardstock inside panel to write your message. Add a strip Nature's Sweetness Specialty Designer Series Paper to the inside and back of the panel to pull the theme through. I also stamped a small flowers from the Timeless Arrangements stamp set in Pebbled Path ink on Basic White cardstock and colored it with Stampin' Blends. I fussy cut out the image (you could die cut the flowers out with the Timeless Arrangements dies) and used glue to add it to the inside panel on the right side over the Designer Series Paper strip.
