## Project Recipe:

1. Start with a Misty Moonlight cardstock card base. Cut a Petal Pink cardstock panel and a Thoughtful Journey Designer Series Paper panel. Glue the panels together and then glue the panels to the card base.

2. Stamp the kids in the boat image from the Kiddin' Around stamp set in Memento Black ink on Thick Basic White cardstock. I used my water painter to color the image with my Classic Stampin' Up! ink pads (using the lid of the stamp pads as an ink well). When dry I die cut out the image with the Kiddin' Around dies. I finished coloring the image with Stampin' Blends. Use Stampin' Dimensionals to add the colored image to the card front.

3. Cut a Basic White cardstock sentiment strip and a Misty Moonlight cardstock sentiment strip layer. Stamp the sentiment from the Beach Day stamp set in Misty Moonlight ink on the Basic White cardstock strip. Glue the stamped sentiment strip to the Misty Moonlight cardstock strip and then add them across the bottom of the card front using Stampin' Dimensionals. Add champagne Adhesive-Backed Sparkle Gems to the card front for sparkle.

4. Add a Basic White cardstock panel to write your message. I added a strip of Thoughtful Journey Designer Series Paper down and on the back of the card to pull the theme through.
