

Creative Challenge: Using December's Product of the Month

For this month's creative challenge, we're shining the spotlight on our December Product of the Month—True Blue Florals 12" x 12" (30.5 x 30.5 cm) Designer Series Paper. This versatile paper is perfect for cards, tags, decor, and more! Grab yours, get crafty, and encourage your customers and team members to join the fun by sharing their own creations. To get the inspiration flowing, we've created these DIY gift bags—a great way to make the patterns the star of the show.
