

## **To Create a Gift Bag:**

1. Score two pieces of 12" x 12" (30.5 x 30.5 cm) Designer Series Paper with the same pattern at 3" (7.6 cm) and 11-1/2" (29.2 cm), then rotate a quarter turn and score at 3" (7.6 cm).
2. Fold on all the score lines and cut along one score line of the 3" x 3" (7.6 x 7.6 cm) square in the corner of the paper to create a tab. Repeat for the 1/2" x 3" (1.3 x 7.6 cm) corner tab.
3. Assemble the bag by adhering the 3" (7.6 cm) side of one page to the 1/2" (1.3 cm) side of the other page. Then tuck in the tabs and adhere the bottom flaps together.
4. To create handles, score two 2-1/2" x 12" (6.4 x 30.5 cm) strips of Designer Series Paper along the short edge at 3/4" (1.9 cm) and 1-3/4" (4.4 cm). Fold at the score lines and adhere together.
5. Adhere the handles to the inside of the bag and reinforce them by adhering a piece of 7-1/2" x 2" (19 x 5.1 cm) cardstock over the ends of each handle inside the bag.
